*Season 2002-2003*

## **PRESIDENT'S REPORT**

Welcome everybody to Presentation Evening for the 2002/03 Season. Presentation evening is the most important evening throughout the season, where we finally all gather, have a chat, tell stories and enjoy each others company. It is also a night where we get to acknowledge the outstanding performers and performances of the season. This includes not only the trophy winners but everybody who is involved with and supports the club, from our team mates, supporters, family, sponsors and life members.

To everyone who has played for Hillgrove from the Kanga kids to our oldest player Harry, I thank you. The way that you conduct yourself on and off the field whilst representing our club is something to be proud of. It isn't whether you win, lose or draw it is the enjoyment of the game that is important.

Congratulations to the teams that made the finals. They are First Grade, Second Grade, Fourth Grade and the Under 13's. It is a great effort to have so many sides participating in the finals. Congratulations to second grade who are minor and major premiers and to First Grade who are joint premiers due to a washout. To Fourth Grade and the Under 13's bad luck; take on board your experience and learn from it. There are some people who play cricket all their lives without ever reaching a grand final.

I would like to thank the Armidale City Bowling Club for their support throughout the season. Without this ongoing support a great club like ours would not exist the way it does today. Thank you for supporting our social and charity events such as the Bowls night and Barbeque nights. Your support is always readily available. To Phil and his staff, a big thank you for your hospitality and friendliness. To the Board and members of the Bowling Club also a big thank you for your support and interest in our club.

Thank you must also go to the people who do the work behind the scenes so that we can take the field. To the Executive, Dave & Merril Newberry and Tony Butler thanks for your support over the season. Thank you to Dave for doing the presidency role whilst I was travelling overseas. Thanks must go to the Social Committee, Andrew Byrne and Nick Sewell. Without social functions our club spirit wouldn't be as strong as it is tonight.

Thank you to the captains of our sides. They are Brad King, Peter Schaefer, Phil McElroy, Ray Matthews and Errol Yates. You have done a great job over the season with the organisation of our teams.

Thank you to Brad King, Nick Sewell, Andrew Byrne, Adam O'Sullivan, Dave Farmer, John Croft, Brian Parsons for helping down at the Railway Hotel with our raffles. Thank you also to the Railway Hotel management for the opportunity to hold these raffles. This money will be spent on the development of our juniors and coaches.

I would like to make special mention of Julie & Brian Parsons and John & Kris Croft for organising our junior club. They work tirelessly to ensure that the junior teams have enough numbers, coaches and equipment each week. With our juniors in such great hands senior cricket is reaping the rewards of your hard work and commitment with some great juniors coming through. This is only strengthening cricket in the district.

Congratulations must also go to Julie and Brian for the organisation of the Walter Taylor Shield this year. This was a huge effort and the carnival went off without any problems.

Thank you to the coaches of our junior teams. They are Brad King, Warwick Browne, Ian Reeves, Gavin Morgan, David Robins, Rob Brown, Steve Barwick, Tony Butler and Nick Sewell. The time that you put in during the week and the weekend is much appreciated. To pass on your knowledge to young cricketers is great.

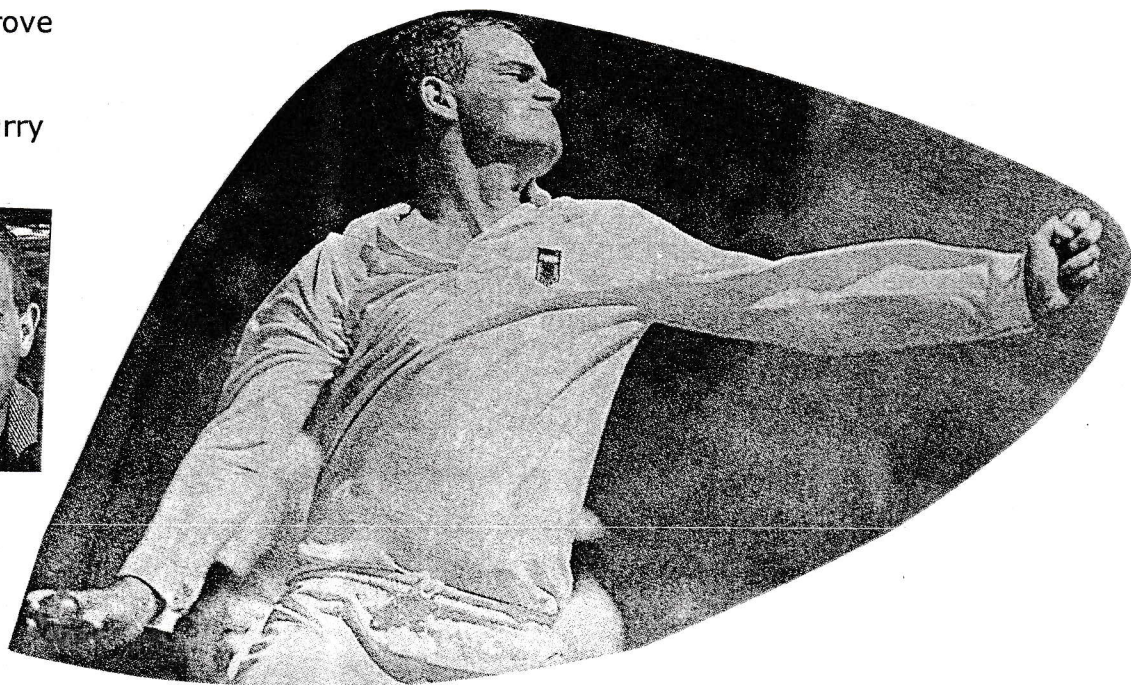

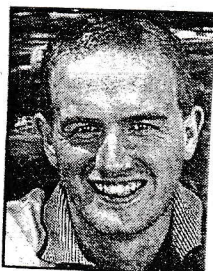

Thank you to all the supporters of HCCC. Your support is fantastic. There is a great range of supporters from Wives, girlfriends, kids, friends, Bowling Club members and life members. I am always getting stopped to see how the Grove is going. It is great to see.

There have been a few special birthday this year. Happy 90<sup>th</sup> to Herb Edgar. Happy 50<sup>th</sup> to Joe Sewell and Happy 85<sup>th</sup> to Jack Sewell.

So as we close the book on yet another season of cricket with the Hillgrove Colts Cricket Club, I wish you a safe and enjoyable off season and I look forward to seeing you all again next season.

Soo the Grove

Andrew Curry  
"Cuz"

## **TREASURER'S REPORT 2002-2003**

Well here we are again. Congratulations to 1<sup>st</sup>, 2<sup>nd</sup> and 4<sup>th</sup> grade on making the grand finals and to 3<sup>rd</sup> grade for their effort throughout the season and support of their fellow players during the final series.

1<sup>st</sup> grade finished **top** of the table and joint **Major Premiers**, 2<sup>nd</sup> grade, **Minor and Major Premiers** (somebody's not happy) and Errol's **young troopers** were gallant, though not successful, but a lot wiser for the outing.

I think we can feel we have done **ourselves** and our **sponsors** very **proud** for the 2002-03 season.

Hillgrove's association with the **Armidale City Bowling Club** has combined together to produce another very successful cricketing year. Their **sponsorship** is such an important factor for the continuation of Hillgrove Cricket and their Club and facilities are a great place to share and enjoy our success and make our losses and wounds not so deep and a little more acceptable (if you support the bar well enough).

The continuation of this association with the **Bowlo** and **Hillgrove** over the past years has built our club, from our juniors to our seniors, competitively and socially to be the family club we are all so proud of and we are hopeful it will continue for many years to come.

Possibly the best way I can sum up Hillgrove from a treasurer's point is to use the same statement from previous seasons. "Thanks to all Hillgrove members for doing the best thing they can for their club, **PAYING FEES**. This is a major area leading to the success of any club or association and we are doing it exceptionally well with a minimum of fuss. This shows dedication and commitment from all members. Let's continue this trend and not rest on our **laurels**, because they **don't** contribute to success, only to **self-destruction!!!!**" Appreciate this statement for what it says because, **it just doesn't come any simpler**.

Congratulations to the entire executive from the juniors to the seniors involved in running Hillgrove and doing it so constantly well. We had a new look executive this season but still maintained that go ahead commitment across the entire club.

Many thanks go to Brad King for his efforts every Friday night and to those who have assisted him over the season.

Congratulations also to the social committee for their contribution this season. Running the BBQ's, Kebab night and Christmas party, the bowls night (very successful, raising \$200.00 for our chosen charity) and this very occasion we are enjoying tonight. All this has been done confidently and without fuss or bother. Just another attribute of any successful organisation is maintaining the necessary commitment from its members to achieve the desired results.

Hillgrove have again proved to be a competitive force in the association and **are still the envy** of many. We end our season on Presentation Night, giving back to the members some of what they have put in over the season. Sharing our rewards and awards both individually and as team members with our **sponsors, families, supporters and fellow members** at the 'BIGGER, BRIGHTER and BETTER' Armidale City Bowling Club knowing that we are all responsible for the past, present and future development of this proud and successful organisation known as the

### HILLGROVE COLTS CRICKET CLUB

Tony Butler  
Treasurer

## 1<sup>st</sup> GRADE CAPTAIN'S REPORT

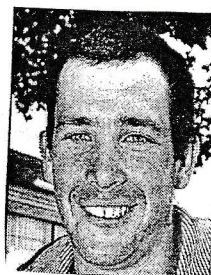

A new look 1<sup>st</sup> grade side stepped up to the mark this year with no less than 5 new faces, being Nick Sewell, Cameron Wood, Adam O'Sullivan, Steve Chapman and Andrew Byrne.

The team had an exciting start to the season. We were unbeaten in 10 outings and played Ex-Services in the one day final. Ex-Services won the toss and elected to bat first. With some tight bowling from Wood & Schaefer and a wicket off Curry's first ball, Ex-Services were always going to be in trouble. After 35 overs, Ex-Services could only manage 123. Curry claimed 3-23 off his eight, while Kingy took 2 wickets in the last over to finish with 4-11 from 4.5 overs to be on a hat trick for the first ball of next year's competition. After losing Sewelly for 0 in the 4<sup>th</sup> over, Schaefer in the 5<sup>th</sup> for 9 and a yes/no/sorry call (Byrne - 0) in the 9<sup>th</sup>, Hillgrove were 3-25. A classy knock from newcomer O'Sullivan (34), an unbeaten 55 from Kingy and Christian Buggy (5 no) saw the mighty Grove home for consecutive One Day Grand Final wins. Some performances of note during the One Day Comp were O'Sullivan 4-10 (YCW), Sewell 59 (Ex-Services), Buggy 43 no (Ex-Services), Byrne 52 (Churches), David Farmer 42 (Easts), Schaefer 5-11 of 7.1 (YCW), Sewell 43 (Ex -Services), O'Sullivan 111 (Norths Waratahs 2), and Sewell 3-8 in the dark against Norths Waratahs 2.

After 11 wins on the trot in the one-day comp, we moved into the 2 day competition. After another 2 wins to begin with, we were bought back to earth with a thud by Ex-Services. Ex-Services scored 223 after being 7-150 with O'Sullivan bowling well to take 5-40 off 12 overs. In reply, we could only manage a meager 134, with only 3 batsman making double figures - King (36), Byrne (24) & Whackett (38). To make a positive out of a negative, we sent Servies back in for a second dig and to our credit we bowled them out the second time for 157 in 34 overs. Good job guys.

The next match was against Easts and it was reduced to a one day match at Wicklow. After being sent in we batted out our 40 overs scoring 132. O'Sullivan top scored with 40. After a good start by Easts (1-40 after 15 overs), we clawed our way back into the match having Easts 8-113 in the 35<sup>th</sup>. However, we narrowly went down by one run on the last ball of the day.

The final round match was against Ex-Services. After being sent in by Ex-Services we managed to score 175 before being bowled out. O'Sullivan (49), King (61) and Extras (20) were the top scorers on a fairly good batting track. Ex-Services were 3-63 after 33 overs when the heavens opened up. The match was consequently a washout resulting in the 'Grove taking the Minor Premiership. I think the guys deserved this having only lost 2 matches all year.

Unfortunately, there was a twist to this happy story. We didn't send a delegate to the last association meeting which was held on the Wednesday before the Final and consequently we lost 2 competition points. This gave Easts the Minor Premiership by one point and meant we had to play Ex-Services in the semi final. In hard fought match we scored 171 with Schaef top scoring (36) while Farmer (30) & Chapman (18) also contributed. After a flying start Ex-Services looked to be in control at 3-73. They then lost their way to be all out for 155 thanks to some good bowling and fielding. Finally, we got another shot at Easts in the Grand Final.

With a late start to the match due to a wet wicket, Easts won the toss and elected to bat on what looked to be a juicy wicket. After some great bowling, Curry (11 overs for 12 runs) & Woody (4-21 off 14), Easts were 2-71 at the end of the first days play with 39 overs bowled. After batting their remaining overs the next day (31), Easts finished with 8-160. A disastrous start saw Easts on top of the mighty 'Grove with us reeling at 3-24. Soon after we had recovered to be were 4-59 and were getting back into the match. However, once again the heavens opened up and the game was declared a washout. This meant the 'Grove were declared joint premiers with Easts and we'd won back to back premierships.

I would like to thank all the players that played in 1<sup>st</sup> grade throughout the year and Harry & Warwick Browne for their efforts at training. I am looking forward to the new season starting. Having watched a few games in the lower grades this year, HCCC is looking very good for the years ahead. I would also like to thank the committee for their tireless effort through the season.

### **Soo the 'Grove**

Bradley King

## **2<sup>ND</sup> GRADE CAPTAIN'S REPORT**

Last weekend wrapped up a great season for the wily seconds with a convincing win over arch-rivals Easts in the Grand Final at Harris Park.

Our season started slowly with more losses than wins in the 1 day comp! We had lost a few players to 1<sup>st</sup> grade but had picked up the "No-Bull" boys from Guyra and Iron-Gloves Sam Clarke from TAS – unknown quantities but great blokes all the same. Teegs was still there looking for "ducks on the pond" and TB was still being cwanky. Filthy McElroy was busy working most Saturdays but was there in spirit most days (even tossed as Captain one day when he wasn't even playing!)

Anyway the conclusion of the "silly Comp" at Christmas couldn't come quickly enough and heralded a new start for the side. At last two day cricket was with us!

An opportunity came up to have Harry in the side for a match against Norths (the 1 day comp winners). This was one the most memorable games of the season – it proved a great opportunity for the Browne Family to relive those fond memories again and for the players the nostalgia and the joy of being part of the event. There were tears all round when we clapped our old friend off the field and we will all cherish that moment for ever. The game itself proved to be a thriller – we gave the Norths boys a flogging – even after failing with the bat (all out for 118 with TB cwanky again) we put the screws down and rolled them for 74 (Wocka 2-0 off one & TB 4-15 off 6.4). It was one of those days when everything worked – the "Great Cricketer in the Sky" was certainly there that day.

We were thrilled to have Wocka Browne with us for the rest of the season. Filthy was still pretending to work or was injured or something and then Mick Bull broke down again. "Tommy" Schaef' was back from 1sts and Jared Parsons up from 3rds. Things started to work – Kris Strahle proved that our confidence in his ability was warranted and hit his straps with the ball. Wocka was showing his class, Teegs had run out of LBW's, Sharmo was hitting catches and the Grey Fox was even getting a few! Matt Bull was starting to bowl with pace and accuracy and with Kris, Jared & Tommy also firing no one was going to get close (TB was still cwanky). We beat Churches then outrighted YCW at Harris and followed this up with yet another over Easts at Moran. We were on a roll and didn't lose a game after Christmas!

We finished Minor Premiers (before it could taken it away).

The Semi-final against Norths was always going to be tough but we stuck to our guns and ended up with 192 (Wocka 63, Grey Fox 37 and Filthy's great 20 over stint for 12 runs). Rain saved them at 6-95 after 48 overs (TB 3-23 and Jared 2-8). We went straight into the Grand Final!

Team selection for the 'Grove was always going to be a problem for the Grand Final but we intended to stick to our winning combination – Kris however decided that one shoulder was enough for football and we were down to 10! 1<sup>st</sup> Grader Sewelly put up his hand and we gained a batsman and great replacement. Brother Sammy was named as 12<sup>th</sup> – the 'Grove is very lucky to have such depth in the Club!

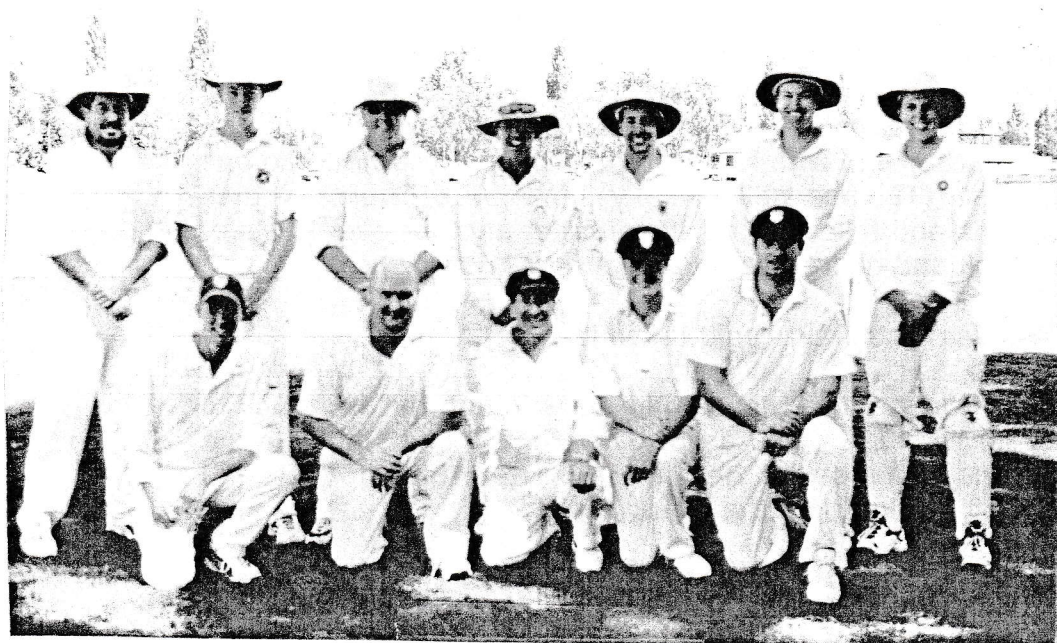

The rest is history – we batted first ending up with 7-209 after 85 (Tommy 72no, Wocka 50 and a stack of 9's and 11's). Easts ended up all out for 133 (Bully 3-34, Tb 3-26 & Filthy 3-8 off 12). The rain came 3 minutes after our victory!

I reckon our spirit won the day – we stuck to our plan, we supported each other, played well as a team and on the field screwed them down to the stage where they had no where to go. Most of all WE HAD A GREAT TIME! (Mick P didn't)! Oh victory is so sweet!

Thanks must go to our other players not fortunate to make the Grand Final side (Mick Bull, Dave Waters & Dave Green come to mind) These great payers were there most of the year and did everything asked of them. The girls who scored so well (Cassy, Rachel and Kelly) thank you. The ladies who supplied cakes and encouragement (and dencorub) we couldn't exist without you. Thanks to Phil Wheaton and his staff for their support and hospitality throughout the year – we are a very lucky Club indeed!

To all the players – Thanks for your support, friendship and comradeship –  
SOO THE 'GROVE !

The Grey Fox - Peter Schaefer

## 3<sup>RD</sup> GRADE CAPTAIN'S REPORT

First of all I would like to thank all of the players who had a run in 3<sup>rd</sup> Grade this year. We had a pretty good year on the field and I think we all enjoyed ourselves. Firstly congratulations to all Hillgrove players on another successful season of cricket. To 1<sup>st</sup> grade and their joint premiership congratulations, 2<sup>nd</sup> grade congratulations also on their premiership win (2 minutes ahead of the rain!!), and to 4<sup>th</sup> grade congratulations on making the grand final from 3<sup>rd</sup> position on the ladder, that was a great achievement.

Once again it was good to see a lot of young talent developing like Jared Parsons, Michael Holmes, Kelcie Davis, Pete Turnbull, Lloyd Honnery and Stuart Taylor. They all look set for big things in the future. It was good to see the "Grinning Bowler" Adam Strahle hit a line and length, he's a great player with a lot of ability. It is hard to name a few players because everybody put in a huge effort throughout the season.

Rain interrupted the beginning of this year's rounds, so a couple of "friendly games" were played. HCCC 3<sup>rds</sup> vs 4<sup>ths</sup> was a hotly contested match and played in great spirit. Of course the "friendly" against TAS was played in the usual Hillgrove/TAS spirit, with no quarter given by either side.

Third grade had an up and down season on the winning front, and with more washouts than games since Christmas it left us a little short at semi finals time. However there was some very good cricket played and some of the highlights of the season include:

**Sam Sewell** 64 against YCW and then 62 against Easts in the very next game, **Ian O'Callaghan** 82 against Churches, **Jacko** 76 n.o. against TAS, **Dags** 32 n.o. against Norths. **Brad Kramer** had a very good season with 4/24 off 8 against Churches, and 3/15 off 3 against YCW. **Kelcie Davis** also had a good year with 3/28 off 8 against YCW, 3/19 off 6 against Ex-Servies and 25 n.o. in the same game. **Jared Parsons'** 3/23 off 8 against TAS before his promotion to 2<sup>nd</sup> grade.

Thanks to Dags (Darryl Porter) and Jacko (Michael Jackson) for all their help setting fields - it makes everything else easier to sort out. Thanks to the Club for giving me the privilege of once again captaining this team. Last but certainly not least thanks to Mrs. Newbs, Lauren and Cait for the wonderful cakes.

And just one last thing - hurry up and get better H.B., looking forward to playing with you again next season.

**SOO THE 'GROVE**

Ray Matthews

## **4<sup>th</sup> GRADE CAPTAIN'S REPORT**

First of all congratulations to 2<sup>nd</sup> grade - Minor and Major Premiers, 1<sup>st</sup> grade (minor?) and joint Premiers.

I would like to thank all the 4<sup>th</sup> grade players for the effort that they put in throughout the season. To come from third position on the table to go down by 15 runs in the grand final is a great effort. It just goes to show the depth of commitment the 'Grove has across all grades.

Special thanks to our "senior" players, Mark Wren and Rick Porter, for their help and support throughout the season. Rick at times thought he was 16 again and caused bodily injuries to himself with his fielding antics.

A great big thanks to the parents of some of the boys who came along and supported our great young side.

Congratulations to Peter Turnbull for his award from the ADCA, Best & Fairest points for 4<sup>th</sup> Grade. Well done Pete even though you had several bat reconstructions by yourself throughout the season. (You might get a job repairing bats!)

Some highlights of the season:

### **Bowling:**

Michael Jackson (Jacko) 4/11 against Churches  
(Jacko - wait for your field)

Michael Holmes 4/15 against Ex-Servies

Peter O'Callaghan 4/6 against YCW

Matt Croft 4/12 against Ex-Servies

Matt Old 4/57 off 16 against Churches

### **Batting:**

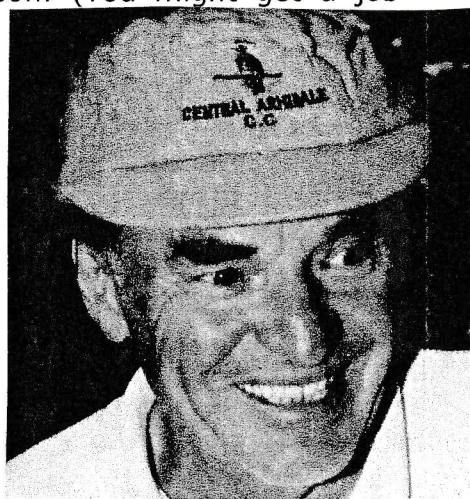

Michael Holmes 62 against Easts

Peter Turnbull 64 n.o. (YCW), 55 (Ex-Servies), 61 (Easts)

Mark Wren 41 n.o. (Ex-Servies)

As you can see by some of these results in a few years time you will read a lot of our fourth grade names in first grade.

So in closing my report I feel very proud in spirit of the sportsmanship our guys showed on and off the field. Thank you for a great season and well done.

**Soo the 'Grove**

Errol Yates.

## **2002/03 JUNIOR REPORT**

We started the season with a new face on the committee when John Croft volunteered to act as Junior Convenor. With three sons playing for the Grove, John and his wife Kris have a good idea of what we need to do to keep our juniors on track.

There were 100 junior registrations this season and 8 teams - Kanga, U9, U10, U11 x 2, U13, U14 and U15/16.

### **Kanga**

Brad King and Warwick Browne ran the Kanga team this season and I'm sure they enjoyed it as much as the players. Always a large turnout of parents, grandparents and supporters for this age group; it's a delight to watch the improvement from week to week.

### **Under 9**

Ian Reeves returned to Armidale as Principal of Newling Primary School and volunteered to coach this group. There are some very keen players in the team, the majority of them moving up from Kanga last season, and a few new faces to make up the numbers.

### **Under 10**

Stephen Davies coached this group again with plenty of support from the parents in umpiring and scoring duties. The team finished 2<sup>nd</sup> on the points table.

### **Under 11- ACPS**

Many thanks again to Sue & Rob Brown and Kris & John Croft who coached and ran this team again. There are some promising cricketers in this team and the parents would win the "most social group at a junior game" award. Apparently the morning teas are something else.

### **Under 11 - Newling**

Thanks again to David Robins for coaching this team and putting the boys through their paces every Thursday afternoon at Newling School. Another team with great support from the parents and some promising players who will be looking forward to playing the 2-day game next season.

There were 7 players from these two teams selected in the U12 Development Squad for 2003/04 and we wish them well with the extra training they will undertake with the squad.

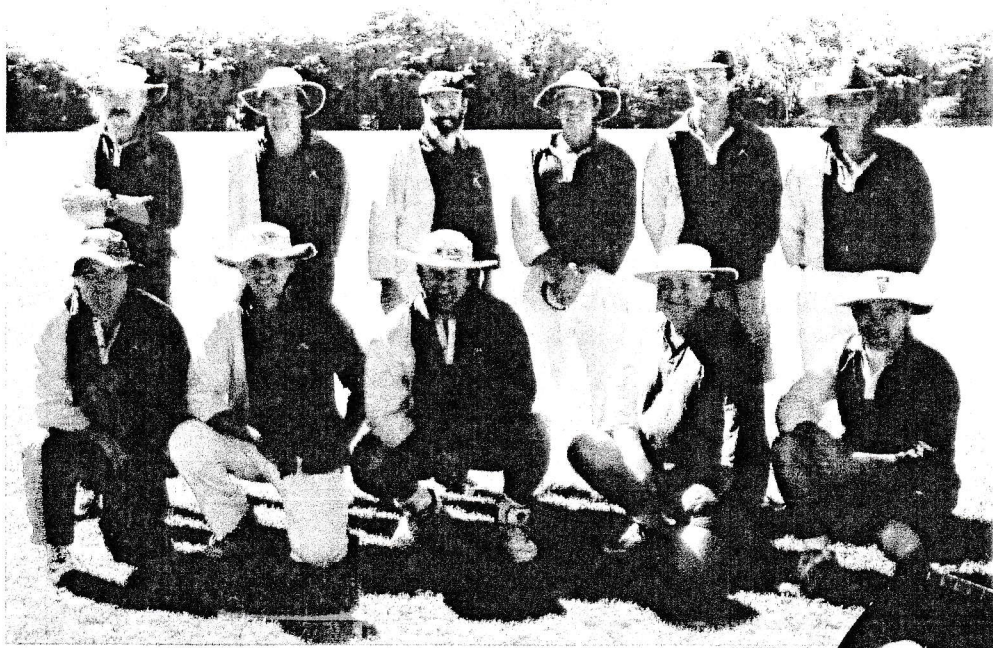

### **Under 13**

Paul Martin and Stephen Barwick have again combined to coach this very competitive team. They ended up 2<sup>nd</sup> on the points table and met with Norths in the final, unfortunately Norths were too good on the last day. Josh Martin, Alex Barwick and Jay Dunlop were again been selected for rep duties.

### **Under 14**

Gavin Morgan coached the boys again and they were the only team in this age group to have an outright win this season. There were 14 players in the team this year, so hopefully we will have good numbers for the U15/16's next season.

**JUNIOR PRESENTATION DAY** was held at Moran Oval on Sunday 9 March. There was an excellent turn-up of players and their families for a barbecue lunch and presentation of certificates and trophies for the 02/03 season.

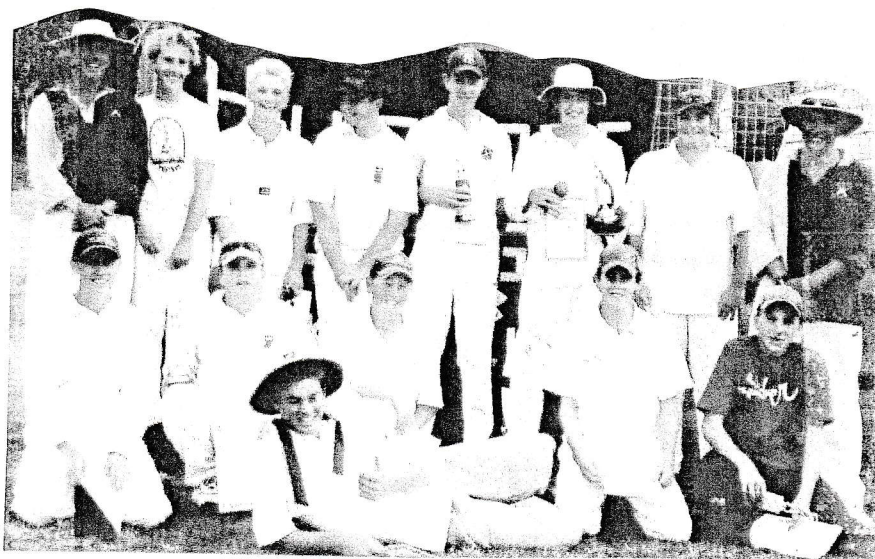

A highlight of the day was the match organised by John Croft and played between the Coaches XI ("The Old Boys") captained by Tony Butler and the U16's ("The Young Guns") led by Jared Parsons. The match was played in a great spirit.

The U16's won the "Bloody Slow Cup" in a thriller and will hold the inaugural trophy until the challenge is taken up again on Presentation Day 2004. The "Bloody Slow Cup" was lovingly crafted and donated by Trevor Brown. It has been suitably inscribed with the winners' name and will now take pride of place in the Bowling Club cabinet with the vast collection of other Hillgrove trophies.

Some of the more interesting aspects of the match were:

- Andrew Byrne's umpiring
- Ben Cordingley desperately trying to get Hugh out
- Jared Parsons coming off an extra 4 paces to Cuz & TB
- excellent bowling by Hugh Cordingley
- John Murrell bowling son Adam

The day began with TB, Cuz and BP in charge of transporting the BBQ's (one actually fell off the back of the truck, but we won't keep on about that!); the Newbs's turned up with "the coffin", Hillgrove helpers came from everywhere to help with the barbie, and as usual Moran was the perfect setting. It was the best ever Presentation Day and hopefully we will celebrate many more like it.

## **Under 16**

Coached by Tony Butler ("Two Hands") and Nick Sewell, the Under 16's played 7 matches this season, with mixed results; 4 wins (1 outright), 2 losses and 1 washout, to finish in third place out of 6 teams. All games were played in good spirit with some newer players displaying form of things to come. The team really developed over the season.

Jared Parsons, Matt Croft and Kelcie Davis all performed well in representative matches in the Under 15's in the Walter Taylor Shield and matches against Glen Innes & Tamworth. Luke Orr played for the Armidale Under 15's and Chris Saladine represented the Under 14's

Players from this team have also been active in Grade Cricket for Hillgrove this season

- 4<sup>th</sup> Grade Matt Croft, Lachlan Paterson, Stuart Taylor, Michael Holmes
- 3<sup>rd</sup> Grade Kelcie Davis
- 2<sup>nd</sup> Grade Jared Parsons (Adam Murrell for Churches)

## **HILLGROVE SOCIAL REPORT 2002/3**

The 2002/3 season was another big year on the social front for the Hillgrove Club with everyone ensuring that the post game festivities were just as enjoyable as the cricket itself.

The year kicked off with the annual kebab night at the Teege residence. As per normal everyone had a great night with the TCG confirming why it has been touted as the best track in town. The night had its usual assortment of highlights but unfortunately Rankmore had to leave early and wasn't there to enjoy them with the rest of us.

Much to Davey's disappointment, Santa didn't turn up this year but a few of the older lads selflessly volunteered to hang around and make sure he wasn't just running late. This has resulted in TCG management introducing a proposed curfew for future years (apparently 4 o'clock is too late now that Teege is approaching 50) however this idea has been unanimously thrown out by the social committee. A special thank you should be extended to the Teege family for hosting such a great night and allowing us the use of their house & garden. I am sure both will recover just in time for next year.

The next major Hillgrove function saw the launching of the inaugural "Charity Lawn Bowls Night". Despite having to postpone from the original date due to inclement weather, the night was well supported and around 40 bowlers showed their prowess on the bowling greens. In typical Hillgrove fashion, the games were played hard but fair (only a few wrong biases) with Matt Ferris carrying his partner's rubbish to take home the winner's trophy. A big thank you should go to the Armidale Bowling Club without whose support the night wouldn't have happened and to Barbeques Galore for donating all the night's prizes. The night was very successful raising \$300 for the Maternity Ward at the Armidale Hospital. Hopefully this will become an annual event.

As with previous years, the 2002/3 season did continue on the tradition of regular Saturday night barbies & visits to the Bowlo. Although the off season had resulted in the loss of Saturday night regular & 2001/2 love god, Duff, a suitable replacement was found in the Bull family. TB, Phil & Cuz showed good form all year and proved beyond doubt that their name on the Pisspot Trophy was by no means a fluke. At times it was lucky that the ever reliable & responsible members of the social committee were present to keep the troublesome trio in line. A good turn up was guaranteed every week and much fun was had by all.

Of course special thanks should go to our regular Saturday night taxi service, Kristy, who was always willing to give us a ride. Girlfriends that work at the Bowlo are most definitely a plus for the Hillgrove community and should be encouraged for many years to come. Despite contrary reports, serving your boyfriend beer while he drinks with other grovers classifies without question as "quality time together".

Although Australia was in the midst of the worst drought in over 100 years, rain did disrupt several Saturday afternoons of cricket, which provided the perfect opportunity for another Hillgrove social gathering. As all grovers know, rain means only one thing - carpet bowls. Several very competitive afternoons were enjoyed by a group of keen bowlers, especially with the introduction of the "nude" rule (we are still waiting Ro). Commiserations must be passed on to Cuz. Don't worry mate, one day you'll find something your good at.

The year did see the launch of another very important function on the Hillgrove social calendar - Tuesday night Bingo. Each week after training a dedicated few made the journey to the Bowlo to try their luck against the masses. Although it started out as a bit of fun, soon all concerned had purchased dobbers and were prepared to stop at nothing for a win. Congratulations should be given to Sewelly for being the first grover to have a win while commiserations should once again be passed to Cuz. We are sure one day you will find something you're good at.

So with another very busy season behind us, we would like to take this opportunity to thank the people of the Hillgrove Cricket Club for making the 2002/3 season such an enjoyable one. We would like to extend a big thank you to all those who helped out throughout the year and made our lives so easy.

SOO THE GROVE

Andrew Byrne & Nick Sewell  
Social Committee 2002/3

P.S Has anyone seen Davey ??????????

## **REPRESENTATIVE REPORT**

Well once again the Grove has dominated the rep standings for Armidale with outstanding performances in club cricket which resulted in selection for the number one team. For nine Grovers to have played Representative cricket this year, whether it be for the NRMA side or the Mulligan Shield, or against the touring sides that arrived to test the local talent is a mean feat in anyone's book.

Armidale's Mulligan Shield started pretty slowly while a few regulars were unable to play, but this made room for new faces in Sully (Adam O'Sullivan), Buggalugs (Christian Buggy) and Chaplain Bale (Steve Chapman) who more than held their own against the best cricketing outfits in the area.

The NRMA season began to draw near and the players flocked from everywhere, the HSC was over and Woody and I were eager to cement our spots in the first XI with both bat and ball. The NRMA Cup side started with a great win over Narrabri away to qualify to take on Coffs Harbour at home. The Coffs Harbour game was to be a thriller and once again the fans got what they came to see, Armidale took the win by only a few after the coast boys looked like having it wrapped up.

This takes Armidale into the final 16 and a weekend bus trip to Singleton. The Grove boys were once again dominant in numbers and in spirit, making the most of the weekend away on both the cricket field and on the town. In the first round Kingy (Brad King) showed us his prowess as a "big game" player against the Canberra folk, who controversially won the game after it came down to the last ball and our blokes not having enough runs. Once again we headed out that night, cheep beer and BBQ at the Bowlo. The next day we were once again on the wrong side of the game receiving an absolute toweling. That was the end of our NRMA tour, again placing 13<sup>th</sup>, must be our lucky number, but that's not a bad effort and was a great experience for the younger players who can do it all again next year.

With that all out of the way we continued onto the Mulligan Shield again, and by now we were thinking about the final and what we could do to get there. Chaplain Bale was getting some enormous swing which resulted in some quality wickets in crunch games, doing a tremendous job against the Inverell boys when he was thrown the new ball a couple rounds before the final. Sully continued his tremendous form with the bat getting consistent 30s and 40s up to the final and even I got a few there at one stage, making easy work of the Inverell bowling line up to notch up 92 before yet another brain explosion.

We began to get swelled heads after knocking off the top team and not even Woody (Cameron Wood), Sully or myself could get us over the Glen Innes blokes at Glen. The faster Woody could bowl the further they could hit us.

This was to be the end of Woody's rep season when he tore his calf muscle after falling from his motorbike during a midweek muster. These forced us to all pull together and try to produce something, which we did, making it through to the final. Only to be done by those bloody Inverell fellas again, failing with the bat, only Sully making a few, we could never bowl them out for less than 100 again.

Only 2 rep games to go, the Mayors X1 Vs the Aboriginal X1, and another touring side from Sydney, called the Centurions.

First up the Mayors XI game featured some of Armidale's leading young cricketers, and then Kingy. Jared was a class act making a great move into senior rep scoring some runs late in the innings and picking up 3 wickets with the ball. The Moran Oval pitch made the game very low scoring (through no fault of TB's), I top scored for the game with 26 and Kingy 19, told you it was low scoring. The 'Grove also won this game with Kingy and myself snaring 3 wickets each.

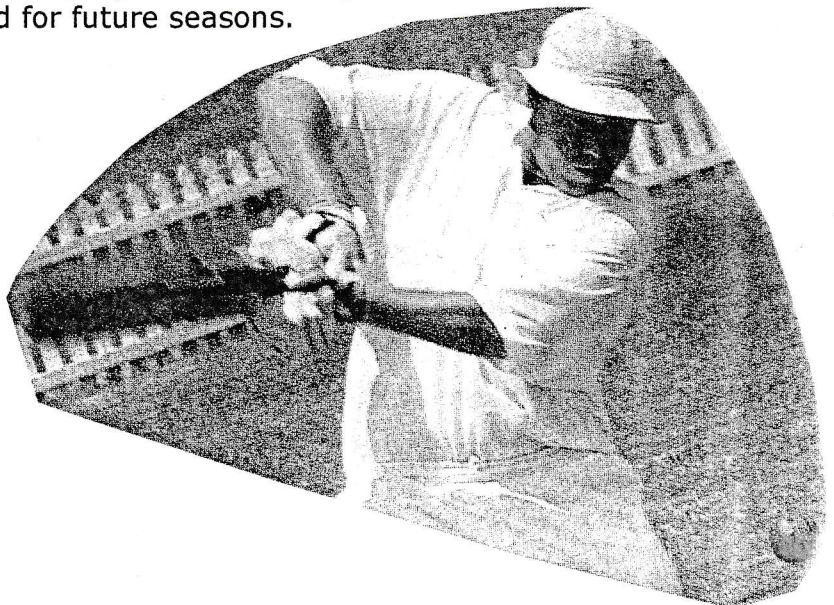

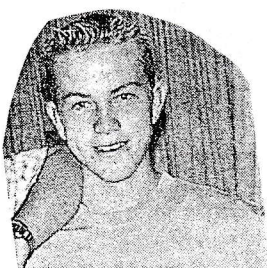

The next week saw the coming of a Sydney based side called the Centurions, and a lack of players being available and then cameo appearances by the in-laws Sewelly (Nick Sewell) and Skid-marks Byrne (Andrew Byrne). Armidale batted very slowly and Adam once again shone with the bat scoring a 30 or 40 not out but wasn't enough as Byrnsey was dispatched to the top of one of the elm trees for the Centurions to emerge victoriously.

During the long representative season, two of Hillgrove's cricketers were selected to represent Central North. First was Cameron Wood, who was selected to travel to Sawtell to play Under 21s. And second was Mick Schaefer who was selected to captain Central North Under 16s and was also selected to play in the Under 17s. Both players have done Hillgrove proud with their achievements and are wished all the best for future seasons.

I think that the fact that 9 players from the Grove played for Armidale in the men's comp and several of the younger players were also selected to play in junior ranks, shows the wealth of ability and the strength of the club as a whole and puts Hillgrove in good stead for future seasons.

# **Pitch in the Paddock**

## **2001/2 Stubby Cup Challenge** **Hillgrove XI v's Wauchope XI**

The 4<sup>th</sup> annual Stubby Cup Challenge was held on the 13<sup>th</sup> of April 2002 with the Hillgrove XI travelling to Wauchope to do battle on the infamous "Pitch in the Paddock".

Hillgrove XI captain Newbs won the toss and elected to field, deciding the cool of the morning may be a bit more bearable to field in than the searing afternoon heat.

With Hillgrove in the field, Jason Blythe & ex-Grover Ben Churcher faced up to the Hillgrove new ball pairing of Jared Parsons & Christian Duff. It is fair to say Wauchope had the better of the first stanza with the score after 8 overs at 0/63. Jared bowled very unluckily to return figures of 0/31 while Duff demonstrated that he should have stuck to medium pace conceding 29 runs with his leggies, including 13 off his first over.

After the indifferent start, Hillgrove XI captain Newbs turned to his two strike weapons in Byrne & Curry to stem the flow of runs. Cuz repaid his captain's faith grabbing a wicket in his 1st over while Byrne showed that he may have been the most under bowled bloke in the club grabbing wickets with his 2<sup>nd</sup> & 4<sup>th</sup> balls. Wauchope had slumped from 0/70 to 3/73 and with Cuz grabbing the prize wicket of ex teammate Ben Churcher in the next over, Wauchope were in trouble at 4/74.

A moment of controversy then struck the Stubby Challenge Cup when Wauchope batsmen Tony Broderick was adjudged LBW for a duck only to be sportingly called back to the crease by the Hillgrove vice captain Brad King. This was a decision Hillgrove soon began to rue with Broderick showing no mercy, smashing sixes to all parts of the ground. The Sewell brothers were unlucky enough to be bowling at the time and were the recipients of most of the onslaught. Nick started well taking a wicket with his first ball and ended up with 1-42 off his 4 overs while Sam was unlucky and finished with 0-40. It should be noted that Nick did bowl courageously after sustaining an injury that he later described as "needing that female touch".

Wok & Kingy then came into the attack and tried to tame the Wauchope batting lineup. Both bowled tightly returning figures of 2/24 & 1/12 respectively of their 4 overs with Wok bowling Broderick for 89 much to the relief of the Hillgrove fieldsmen who were getting tired of fetching the ball out of the paddock. Nonetheless Wauchope had compiled a formidable 8/226 after just 32 overs with 12 overs still to bowl.

Bernard Browne, Ray Mathews & Newbs then came into the attack hoping to wrap up the tail cheaply. Bernard continued on his brother's good work to finish with 2/15 including the wicket of Jason Bradshaw who it could be said was quite "browned" off after being caught behind by Wok. Razor & Newbs then "rounded" out the attack with Newbs very excited at claiming his first wicket. Wauchope ended up with 12/260 off 41.2 overs and although Wauchope didn't bat out their overs, the Hillgrove batsmen knew they had a

big task in front of them if they were to keep their unbeaten Stubby Cup Challenge record intact.

After a traditional "Pitch in the Paddock" barbeque, Sewelly & Byrne strode to the crease to take up the run chase. A solid opening stand of 28 was on the board when Sewelly edged one to the keeper off the bowling of Churcher in the 7<sup>th</sup> over. Wok then joined Byrne at the crease and they put on a partnership of 51 before Byrne was stumped by Newb's son in law, Jacob White, in the 18<sup>th</sup> over. Hillgrove then suffered a bit of a middle order collapse with Duff having his stumps well and truly disturbed by Peter Barron for 7 and Newbs being dismissed in similar fashion by Jason Blythe for 2. This left Hillgrove at 4-111 still requiring 150 to win off 20 overs. Despite the imposing run rate of 7.5/over, some hope was still held with Wok & Kingy at the crease and the now rather "happy" Wauchope bowling attack.

Wok & Kingy kept the run rate poking along nicely with Wok bringing up a well earned half century before edging one to the keeper to be on his way for 54. Sam Sewell took up where Wok left off and things were looking slightly more promising for the Hillgrove team. However, Kingy then suffered a slice of misfortune when he hit one in the air to the only fieldsman on the ground who hadn't been indulging in a quiet ale and was out for a quick fire 23.

Unfortunately this sparked somewhat of a lower order collapse with Bernard Browne (3), Razor (4), Jared (1) & Cuz (9) all falling cheaply to leave Hillgrove in trouble at 10/179 in the 37<sup>th</sup> over. With 62 still required for victory off just 7 overs, Newbs strode back out to the middle hoping to improve on his earlier innings. After dispatching his first scoring shot for 6, Newbs then combined with Sam Sewell in a last attempt to get Hillgrove back into the game. The two batted well and with one over remaining, Hillgrove needed just 33 to win.

Things weren't to be however with Hillgrove finishing at 10/234, 26 runs shy of the target with Newbs & Sam unbeaten on 34 & 37 respectively. Wauchope had ended the Grove's winning streak and were deserved winners of their first Stubby Cup Challenge.

Special thanks should go to Tom Lamont and the Wauchope team for their hospitality and the good spirit in which the game was played. We look forward to hosting the Wauchope boys in Armidale this year and trying to win back the "Stubby Cup".

SOO THE GROVE

Andrew Byrne

## My 6 months in England

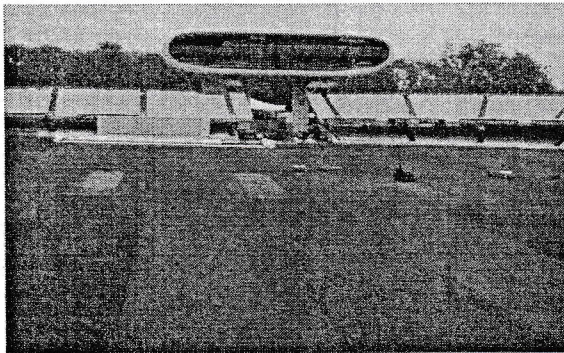

By Andrew Curry

I left Armidale about the last week in April to go to the country that needs a little help with their cricket skills. I finally arrived in a town called Ashby De La Zouch and played for a club called Ashby Hastings. Their first official game was in 1831. So it is quite an old club with a lot of tradition. The club has two senior sides and 4 junior sides.

Ashby Hastings played in the Leicestershire League. Which included a home and away series incorporating 12 sides. We won a few, lost a few and drew a lot. The rules are a bit different to the ones that we play under here. We finished mid table. We played every Saturday with the occasional Sunday and midweek games. These were not part of our league game but were friendly or cup games.

The weather over in England was quite cool. I only played about 6 games without a sweater on. The pitches were a lot slower and lower than they are here and they play on wet wickets where we would just go to the pub. But the pub is where we always ended up eventually on Saturday night. Every ground we played at had a pavilion with change rooms and a bar. So there was quite a lot of drinking to be done.

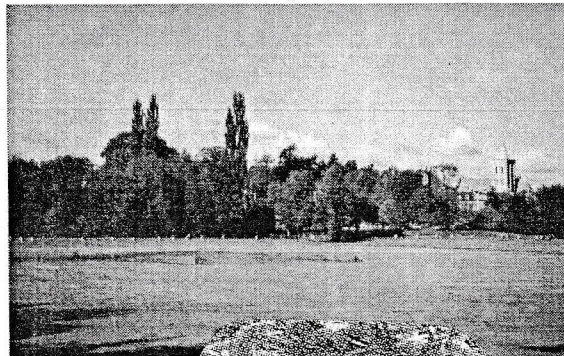

While I was over there I managed to do a lot of traveling, visiting many places that I never dreamed of seeing and meeting a lot of different people. The countries that I visited were England, Scotland, Ireland, France, Netherlands, Belgium, Germany, Switzerland, Austria and Italy. I visited many different landmarks such as the home of cricket, Lords, The Eiffel tower, the coliseum and many other sights.
